

T&RA CENTENARY GOLF DAY

in association with Sport for Sport

At Walton Heath Golf Club 23 April 2008

Entries are invited for the T&RA Centenary Golf Day to be run in association with Sport for Sport. This will be held at the Walton Heath Golf Club on Wednesday 23 April 2008. Walton Heath (www.whgc.co.uk) played host to the 1981 Ryder Cup and we will have use of both courses.

Separate competitions will be held on each course and each competition will be a stableford team event. Please indicate if you wish to be placed in a team or if you are part of a team. There will be a limit of 144 players – first come first served.

The cost of £100 per player will cover breakfast, golf, lunch, prizes and drinks. The funds raised on the day will be used to support young Tennis and Rackets players.
