

THE MARK FABER CUP

In 1993 the Faber family presented a cup in memory of Mark Faber, an outstanding school Rackets player. Mark was in the winning Eton pair for three years from 1967 to 1969, also winning the Foster Cup twice.

The Mark Faber Cup is presented every year to the school that has performed best overall in the Public Schools Singles and Doubles Championships. Points are awarded from semi-finals onwards, and are weighted in favour of the doubles championships over the singles.
